To our Boston patients:

It is with great sadness that we have to inform you that we will be closing our Boston location. Our decision is a result of changed circumstances related to COVID-19. This has been an extremely difficult decision for us to make. We have had an office in the Back Bay for over 70 years (Dr. Norman Becker, Dr. David Becker's father and Dr. Todd Belfbecker's grandfather, began practicing there in 1947).

Our main location in Revere will continue to be open, and we would love it if you continued to see us, albeit in a different setting. We have fostered many great relationships with our Boston patients over the years. Some of you have been coming to our Back Bay location since you were children, and now you bring your own children or even grandchildren. Others of you are newer patients we have known for a relatively short time and have enjoyed getting to know.

Our Revere office, 34 Shirley Avenue, is less than 8 miles from our former Back Bay office and is conveniently located near the Revere Beach T-stop. Additionally, we have free on-site parking. Please call us at 781-286-3700 so we can schedule your next appointment. If you decide it is not feasible to come to our Revere location, please reach out and we can recommend a Boston dentist for your future care.

Thank you for your understanding. We hope to see you soon in Revere.

Sincerely,

Dr. David Becker

Dr. Todd Belfbecker
